

HALO CAMS

Next-generation body cam technology. HALO is a complete safety solution, using innovation to stay ahead of threat and reduce risk.

Lives and businesses are better safeguarded by more advanced camera tech on the ground, and more intelligent asset management in the cloud.

HALO HORIZON

The HALO Horizon range is IP68 waterproof certified and AES256 encrypted. Paired with our HALO DAMS system it is the world's most complete protection solution. It's ready for what's on the horizon and for what's coming next.

A Wider range of features for what's ahead. Future-proofed technology for what's beyond.

KEY FEATURES

16-HOUR CONTINUOUS RECORD

Full-shift battery life enables you to capture footage back to back

LIVE STREAM ENABLED

Live stream with ease using high efficiency video coding.

AUTOMATIC UPLOAD

Automatically offload footage with no need for computers/cables/dock.

FAST CHARGE

Via self-locating magnetic charging dock - no need for cables.

RECORD IN 1440P & 1080P

Capture evidence and stream smooth footage in a poor environment.

WATERPROOF

The Horizon's IP68 waterproof certification means it can record in any condition.

GPS ENABLED

Glonass instant positioning/location technology.

STARLIGHT LENS

Turns darkness into near clarity with industry leading Sony technology.

WIDE ANGLE LENS (140°)

De-warp technology with zero image distortion, allowing for wide angles.

SPECIFICATIONS

DIMENSIONS	86mm (H) x 54.8mm (W) x 29.8mm (D)
WEIGHT	145g
BATTERY LIFE	16 hours
RESOLUTION	1440p, 1080p, 720p
LENS	140° wide angle, with de-warp technology
BATTERY	Non-removable 4200 Mah Lithium Gel
TEMPERATURE	-30° to +60° Celsius / -22° to +140° Fahrenheit
LANGUAGE	English, Spanish, French, German
ENCRYPTION	AES256
STORAGE	Unlimited with Halo Vault
NETWORK	Optional 3G/4G/Wifi

WHEN BUDGET GOES FURTHER, PROTECTION GOES WIDER.

The HALO Subscription is a scalable, cost-effective way to deploy an optimum level of video evidence gathering technology. Regardless of size, sector or speciality, we will customize a subscription package to ensure you deliver maximum safety, security and productivity.
